

# Alan J Preston Associates Limited

Liability Claims Adjusters, Consultants & Administrators

## Introduction

**Alan J. Preston Associates was established in 1993 to provide specialist liability loss adjusting, claims handling and consultancy services to the Lloyds market, insurance companies and self insured companies.**

## Our Services

Our services are tailored to individual client needs; meeting the requirements of the Lloyds market, specialist/composite insurers and self insured companies. We ensure a prompt and efficient response to enquiries and the maintenance of essential service criteria.

Our core speciality areas of investigation/claims handling include:

- **Employers Liability**
- **Public/Products Liability**
- **Professional Indemnity**
- **Property related liability**
- **Motor Liability**

In addition we offer detailed liability risk surveys, claims management and audit services across a wide range of industrial, commercial, and recreational risks, for a variety of insurers, brokers and self insured clients.

We operate a "hands on" approach to claims handling from notification to final resolution, promoting close liaison with our clients to ensure that all information is presented in the most appropriate manner for ongoing review and decision making.
